Not Present: Barb Newton, Booster Vice President; Taylor Trout, Historian.

II. Review on old issues/concerns

- No concerns on old issues

III. Review on Leadership Camp

- Sierra-Camp raised standards in the music department and her individual self. She has higher respect for authority now and often refers to the readings that were given at the workshop.
- Brad-Enjoyed camp and gain more confidence from it.
- Aleia-Camp taught her to be on top of things more.
- Jeannie-Camp taught her to do self-reflection and respect the rules more.
- Arvin-Camp taught him to be more serious in his responsibilities
- Gavin-learned to put yourself in others shoes and started to raise his hands to ask questions.
- Leanne-liked camp and is applying to what was learned to real life.
- Janeen-Camp made everyone talk and appreciated each other more.
- Robert-Camp made him more focused.
- Myron-thinks that the camp made every of his leaders more aware about respect and it filters down to the students. There is less hollering which was refreshing.
- Dawn-Needs to have what was learned to filter down to students more and has a lot of expectations from the leaders.
- Myron-he will budget for this camp again for next school year.
- Zach-wishes that he had this camp experience.

IV. Focus on this school year's fundraising and deciding on dates.

- Dawn-may do Panda Express Night/Pizza Hut Night/Buzz's Wharf Wednesdays.
- Carwashes-September 18, November 13, January 15, and March 25th.
- **Update: Jon-I was able to secure the dates but unfortunately, Dean Duque, who was the branch manager, is no longer in Lahaina anymore so we have to pay the \$100 water fee. I made the booking with Lynn of Lahaina FHB.**
- What we could do is to pass out flyers for Panda Express /Pizza Hut Night at the carwash and the night will be the day after carwash (Mondays).
- Jamie-Suggested Kona ice cream truck at the premises but needs to clear with the state and FHB.
- Silent auctions are another fundraiser that has been discussed.
- Sierra-suggested recycling plastic water bottles.
- Zach-suggested recycling aluminum can tabs. You make a lot of money from it.

V. Marching Band

- Leanne-needs to do inventory on Class A & B.
- Since the marching band is quite large, there may not be enough of Class A uniforms.
- Need to get shoes, gloves, etc.
- Myron will ask other schools if he could borrow instruments from them. He will ask BHS, MHS, and KKHS. If not, he may have to borrow from Oahu Schools.
- Marching Band Festival is around November 10th or 11th.
- We are going to the football games this year.

VI. Suggestion Box

- Sierra says we need one since the old one (shoebox) is breaking down.
- Need a bulletin board with calendar for sectionals/rehearsals/concert or games.
- Subject tutoring-seeking volunteers to help music department students.
- Aleia needs Library aides.
- Leanne needs uniform assistants.
- Need to buy steam cleaner/vacuum for band room. All the vaccums are non-operational.

VII. Other Concerns

- Need to have representatives from each class and need to form committees.
- Michelle will talk to her friend about helping out the majorettes (**Update: she got the ok**).
- Zumba fundraiser? It's a football fundraiser but definitely we should do it and we

think it will be a success.

- Trips this school year? Is it too late? Disney trip over the summer?
- Meetings will be every 3rd Thursdays of the month.
- Next one: Thursday, September 15th.

VIII. Meeting adjourn: 7:15 pm
